### DIGITAL LIBRARY FOR STUDENTS

**ProQuest Learning: Literature** offers a comprehensive and integrated literary resource for original full-text works, author biographies, contemporary literary criticism, study guides, and multimedia. Researchers will find more than 150,000 searchable works of poetry, prose, and drama from around the world – from medieval times to the present; and, thousands of secondary literary sources such as biographies, literary criticism, essays, reviews, interviews, video, and Web sites.

---

**ProQuest Professional Journals** ProQuest provides seamless access to and navigation of more than 125 billion digital pages of the world's scholarship, delivering it to the desktop and into the workflow of serious researchers in multiple fields, from arts, literature, and social science to science, technology, and medicine. ProQuest is part of Cambridge Information Group ([www.cambridgeinformationgroup.com](http://www.cambridgeinformationgroup.com)).

---

**eLibrary Science** is a simple yet powerful online database that allows users to quickly answer research questions using its vast collection of publications. eLibrary Science focuses on providing the scientific researcher with recognized national and international resources including: full-text Magazines, Journals, Reference Books and Encyclopedias, TV & Radio Transcripts, Pictures and Audio/Video sources. It will allow you to search by *Natural Language* or by *Boolean*, and offers *100% Full-Text and Lexiled Articles*.

---

**eLibrary Curriculum Edition** meets a growing range of research and curricular demands. Students will find the answers they need from more than 2,000 full-text and multimedia sources, and can access History Study Center and ProQuest Learning: Literature resources with a single search. The product contains millions of documents including current full-text magazine and newspaper articles, maps, photographs, TV and radio transcripts, government publications, and reference collections. Turn to eLibrary CE to investigate world events and people in today's news, history, geography, social and debate issues, sciences, social sciences, and more.

---

**ProQuest Platinum** ProQuest provides seamless access to and navigation of more than 125 billion digital pages of the world's scholarship, delivering it to the desktop and into the workflow of serious researchers in multiple fields, from arts, literature, and social science to science, technology, and medicine. ProQuest is part of Cambridge Information Group ([www.cambridgeinformationgroup.com](http://www.cambridgeinformationgroup.com)).

---

**SIRS Knowledge Source** is an award-winning, general reference resource for researchers that makes learning fun and intuitive. SIRS Knowledge Source helps students in grades 9-12 develop their research, writing, language and computer skills. Students can do research, read stories, learn about important people, places and events.

---

**SIRS Discoverer** is an award-winning, general reference resource for young researchers that makes learning fun and intuitive. SIRS Discoverer helps students in grades 1-9 develop their research, writing, language and computer skills. Students can do research, read stories, learn about important people, places and events, find fun projects to do and much more. The database includes carefully selected full-text articles and images from more than 1,600 domestic and international newspapers, magazines, online sources and government documents.

---

*Black Studies Center* is a fully cross-searchable gateway to Black Studies including scholarly essays, recent periodicals, historical newspaper articles, and much more.

---

---

**ProQuest Historical Newspapers** delivers the complete run of newspapers such as *The New York Times*®, *The Washington Post*®, *The Christian Science Monitor*, and *Los Angeles Times*®. It offers an unparalleled online resource for the study of historical events, social and consumer history, economics, literature, technology, and more. Every issue is reproduced in cover-to-cover full-page image—from news stories and editorials to graphics and advertisements. Our title coverage spans from 1851 to 2001. Students can search using keyword, Boolean, or natural language queries as well as limit searches by date, author, article type, and more.

---

---

**History Study Center (HSC)** offers schools valuable historical reference material that covers **more than 2000 years** of history – from ancient to modern, old world to new world. Explore the rise and fall of the Roman Empire, the growth of Islam, the ideas of Enlightenment and Revolution, the effects of colonialism, the explosion of American pop culture, and much more. It's a unique reference tool that delivers a comprehensive collection of primary and secondary source material relevant to the study of history and social studies.

---

---

**CultureGrams** helps you and your students discover the world with concise cultural and statistical snapshots of every country recognized by the United Nations -- from Afghanistan to Zimbabwe. Local experts document the unique, intimate details of each country's customs, traditions, and daily life. And whether it's Iraq, Canada, or Kenya, each CultureGram offers an equality of coverage detailing more than two dozen aspects of the country and its culture. CultureGrams also links learners to information about all 50 U.S. states, the Canadian Provinces, and more.

---

---

**Science Resource Center** is an in-depth, curriculum-oriented science database that provides a one-stop resource for all science-related research needs. This 24/7 resource reflects curriculum trends and focuses on key concepts taught in school classrooms, including: Earth Science; History of Science; Life Science; Physical Science; Science and Technology; Science as Inquiry; Space Science.

---

---

**SIRS Researcher**® is a general reference database containing thousands of full-text articles exploring social, scientific, health, historic, business, economic, political and global issues. Articles and graphics are selected from over 1,600 domestic and international publications and are indexed primarily according to Library of Congress-derived subject headings.

**The College Board: Connecting Students to College Success** The College Board is a not-for-profit membership association whose mission is to connect students to college success and opportunity. Founded in 1900, the association is composed of more than 5,400 schools, colleges, universities, and other educational organizations. Each year, the College Board serves seven million students and their parents, 23,000 high schools, and 3,500 colleges through major programs and services in college admissions, guidance, assessment, financial aid, enrollment, and teaching and learning. Among its best-known programs are the SAT<sup>®</sup>, the PSAT/NMSQT<sup>®</sup>, and the Advanced Placement Program<sup>®</sup> (AP<sup>®</sup>). The College Board is committed to the principles of excellence and equity, and that commitment is embodied in all of its programs, services, activities, and concerns.
